Honorable Gabriel W. Gorenstein  
United States Magistrate Judge  
Southern District of New York  
Daniel Patrick Moynihan U.S. Courthouse  
500 Pearl Street

Upon reflection, given the relationship between the motion for class certification and the motion to exclude, the Court has decided to deal with this application as well. The application is hereby GRANTED.

Re: *Dandong v. Pinnacle Performance Ltd.*,  
No. 10 Civ. 8086 (JMF)(GWG) (S.D.N.Y.)

SO ORDERED.

May 2, 2013

Dear Judge Gorenstein:

We represent Plaintiffs in the above-referenced action. We write respectfully to request a one week extension of time, to May 17, 2013, for Plaintiffs' memorandum of law in opposition to Defendants' motion to exclude the declarations of Plaintiffs' experts (which, excluding method of service considerations, is due to be filed on May 10, 2013). Plaintiffs are concurrently drafting their reply memorandum of law in support of their motion for class certification, which is due to be filed on May 10, 2013, and therefore need this extension in order to sufficiently address the points Defendants raise in their motion to exclude. This is Plaintiffs' first request for an extension of time. Defendants do not oppose this request. Given Plaintiffs' request, Defendants likewise request an extension of time, to May 31, 2013, for their reply memorandum of law in support of their motion to exclude (which, excluding method of service considerations, is due to be filed on May 17, 2013). This is Defendants' first request for an extension of time. Plaintiffs do not oppose this request.

We thank the Court for its consideration of these requests.

Respectfully submitted,

  
Andrew McNeela
